

Noise Reminder

We live in very close proximity to one another

Our concrete buildings carry and echo sound

**Please be courteous and respectful of your neighbors and recognize
that sound carries**

All of us that call Napili Ridge our home respectfully ask that you be aware that noises are disruptive to your neighbor **during all times**, especially during the posted “quiet hours” between 10PM and 8AM.

When your doors are open, the noise in your apartment is travelling to adjacent apartments as well as the bedrooms of the apartments across from you

Please be conscious of:

- Conversations between people in or around your apartment
- Music and/or television volume (if you hear it outside your door, others can too)
- Cell phone conversations (especially when you use speaker phone)
- Slamming doors
- Registered animals barking or meowing

In advance, THANK YOU for your understanding and respect.

Our goal is to have everyone enjoy and feel comfortable where they live.
