

Napili Ridge Vacation Rentals

Aloha, Welcome to Napili Ridge. We are a small community made up of mostly permanent residents. To help maintain the maluhia (calmness) of our home we require all short term renters check in with the onsite resident manager at the onsite office the day they arrive. If the Manager is not in or if you arrive after 4pm complete this form, along with the house rules form, and leave them in the mail slot at the office OR at the mail room drop box. Mahalo and have a great vacation!!
